

# Choisya GREENFINGERS

## 'Lissfing'

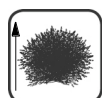

**Abundant and fragrant flower , dense evergreen foliage. An outstanding variety all around!**

In spring, Greenfingers will delight you with abundant fragrant flowers, combining candy pink buds and pure white open blooms. All year round, you will enjoy its compact, well-branched silhouette, and its dark green evergreen foliage. In good weather conditions, it can flower again in autumn. It is an easy-going plant, requiring little maintenance, resistant to drought and suitable for any type of well-drained soil.
