

Clematis

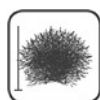

SUCCESS[®] Bleu de Loire 'TRA3965'

In the SUCCESS[®] series a blue - violet very floriferous Clematis

SUCCESS[®] is a range of Clematis, especially created to be sold as 'flowering pot plants'.

Being exceptionally floriferous with their amount of flowers as well as the length of flowering time, they are the essential decorative element all summer long: on the table, used in tubs at the entrance of the house, on the terrace or your balcony and also, more traditionally, planted directly in the garden.
