

Hypericum x inodorum **MAGICAL® Innocence 'KOLMAGINNO'**

*Very large and highly decorative,
salmon-pink tinted berries*

The Hypericum in the MAGICAL® range have:

- a quality foliage that's relatively dark green and notably resistant to attack by rust,
- an abundance of small yellow flowers from May-June,
- an upright, readily branching habit, with - for this variety MAGICAL® Innocence - a generous production in June of salmon-pink tinted berries,
- an excellent and very rapid second flowering giving fresh bouquets of fruit up to the end of September.
