

Hydrangea macrophylla SO LONG® 'Starlit Sky'

An absolutely extraordinary hydrangea !

If you're looking for originality, this hydrangea will be perfect for your garden! Its long-lasting blooms are made up of large, flat inflorescences with huge, white-mottled pink flowers and curled petals. It blooms on all terminal and lateral buds. It has sturdy stems and thick, embossed, serrated foliage. Very compact, SO LONG® 'Starlit Sky' can be grown in containers or in the ground.
