

Diervilla splendens

Honey Surprise 'DIWIBRU02'

Brilliant foliage, even in full sun!

This deciduous shrub with a compact, bushy structure will brighten up your garden with its sun-resistant, tricolored variegated foliage. Its flowers appear in spring and attract bees. It is very hardy, very resistant to dryness and disease, making it an easy plant to grow. It is ideal as a border plant, a mass landscape planting or a patio terrace.
