

Potentilla fruticosa

BELLISSIMA® 'Hachliss'

*Floriferous, innovative pink colour,
ramified and compact shape*

BELLISSIMA® has everything to please:

- a compact and ramified, ball shaped habit of small dimensions. Pruning is not required.
- abundant flowering, of intense bright and lasting pink, big flowers in the summer.

Very floriferous, of innovative colour, reduced growth, BELLISSIMA® will be appreciated alone in small spaces as well as planted in groups in beds, adding a brightly coloured note.
