

Potentilla fruticosa **BELLA SOL® 'Hachdon'**

**Everything going for it:
compact and branched,
with generous bright orange flowers!**

Bella Sol® has everything going for it:

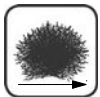

- compact branched habit, round and of reduced dimension with no pruning necessary.
- abundant blooming all summer long of large flowers of intense orange that turns to a shining yellow-orange in the sun.

Floriferous, of small size, the Potentilla Bella Sol® brings its shining colours, grown singly in small spaces, in pots on terraces, or in numbers in beds and borders.
