

Agapanthus **PITCHOUNE®** Violet 'Mill04'

A beautiful, compact agapanthus with deep inky purple tones

Pitchoune® Violet is remarkable for the inky purple colour of its flowers. This agapanthus has a highly compact habit, with large inflorescences, held on short, sturdy stems. A prolific bloomer in June and July, the PITCHOUNE® Violet agapanthus can offer repeat flowering until September.

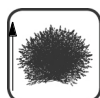

PITCHOUNE® Violet is ideal for containers. It must be protected over winter in cold areas. It can be planted in the ground in areas with a mild climate.
