

# Philotheca (Eriostemon) myoporoides

## GOLD TOUCH® 'Panroue'

*The elegant style of Eriostemon, with a touch of variegation!*

A small shrub with a dense silhouette and elegant, bright, fragrant variegated foliage. Its small, starry, fragrant white flowers appear in spring and add a bright touch to your garden. It is equally at home in pots or in the ground in mild climates. It can be pruned or left to grow naturally.
