

Perennial

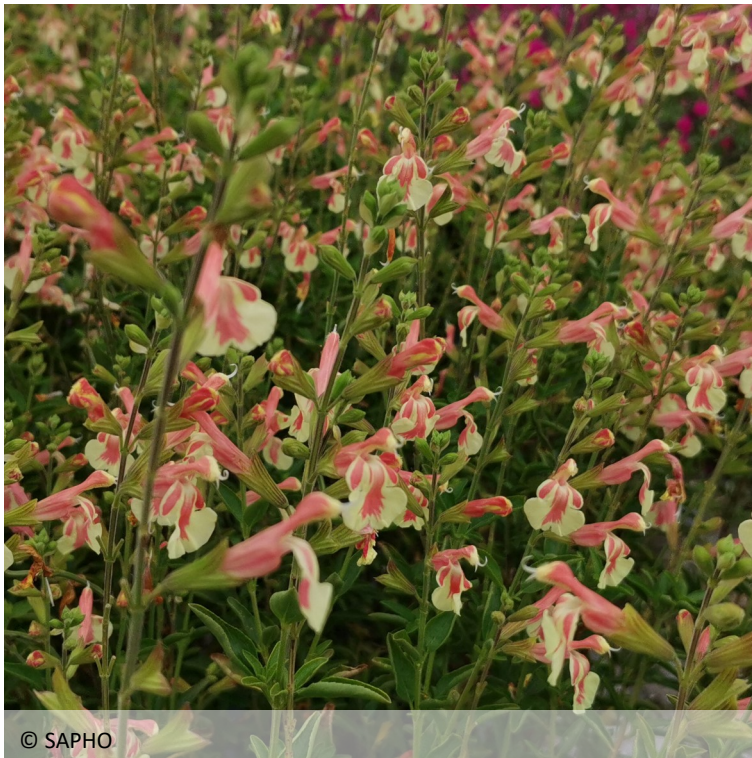

Salvia x jamensis

Belle de Loire[®] 'BARSABEL'

A two-tone sage with original, bright colors!

This shrubby perennial sage has particularly original, bright colors: yellow and orange in spring, turning to cream and salmon in autumn. It flowers abundantly from May to October, producing fragrant, melliferous inflorescences 20 to 30 cm long. This plant is resistant to dry, poor soils and limits weeds.
